## Just Wanna Live by Good Charlotte

	l just wanna live
I need an alarm system in my house	Stop your messing around boy
So I know when (1) are creeping about	Better think of your future
These people are freaking me out (these days)	Better make some good plans boy
It's getting hectic everywhere that I go	Said every one of my teachers
They won't leave me alone	Look out, you better play it safe
There's things they all wanna know	You never know what hard times will come your way
I'm paranoid about the people I meet	We say, where we're (6) from
Why are they talking to me	We've already seen the worst that this life can bring
And why can't anyone see	Now we (7) it everywhere that we go
l just wanna live	All the things that they say
Don't really care about the things that they say	Yeah we already know
Don't really care about what happens to me	l just wanna live
l just wanna live	Don't really care about the things that they say
(Just wanna live, just wanna live, just wanna live)	Don't (8) care about what happens to me
(Just wanna live, just (2) live, just wanna live)	(Just wanna live, just wanna live, just wanna live)
I rock a law suit when I'm going to court	l just wanna live
A white suit when I'm getting divorced	Don't really care about the things that they say
The black suit at the funeral home	Don't really care about what happens to me
And my (3) suit when I'm home alone	(Just wanna live, just wanna live, just wanna live)
Talking on the phone	l just wanna live
Got an interview with the Rolling Stone	(Just wanna live, just wanna live, just wanna live)
They're saying	l just wanna live
"Now you're rich and now you're famous"	(Just wanna live, just (9) live, just wanna live)
"Fake ass girls all know your name and"	Don't really care about the things that they say
"Lifestyles of the Rich and Famous"	(Just wanna live, just wanna live, just wanna live)
"Your first hit, are you ashamed?"	Don't really care about what happens to me
Of the life, of the life, of the life we're living	l just (10) live
l just wanna live	
Don't (4) care (5) the things that
