

She said spread your wings my little butterfly Don't let what they say keep you up at night

Fill in the gaps

Mama told me not to waste my life	And they can't detain you
She said spread your wings my little butterfly	'Cause wings are made to fly
Don't let what they say keep you up at night	And we don't let nobody bring us down
And if (1) give you shhh	No matter what you say it won't hurt me
Then they can walk on by	Don't matter if I fall from the sky
My feet, feet can't touch the ground	These wings are made to fly
And I can't hear a sound	I don't need no one saying
But you (2) (3) on running up your	(Hey, hey, hey)
mouth, yeah	I don't hear no one saying
Walk, walk on over there	(Hey, hey, hey)
Cause I'm too fly to (4) (oh yeah)	You'd better keep on walking
Your words don't mean a thing	I don't wanna hear your talking
I'm not listening	Boy'd, you'd better keep on walking
Keep talking, all I know is	I don't wanna hear your talking
Mama told me not to waste my life	Your words don't mean a thing
She said spread your wings my little butterfly	I'm not listening
Don't let what they say keep you up at night	They're just like (7) off my wings
And they can't detain you	Mama told me not to waste my life
Cause wings are made to fly	She said spread your (8) my little butterfly
And we don't let nobody bring us down	Don't let what they say keep you up at night
No matter what you say it won't hurt me	And they can't detain you
Don't matter if I fall from the sky	'Cause wings are (9) to fly
These wings are made to fly	And we don't let nobody bring us down
I'm firing up on that runway	No matter what you say it won't hurt me
I know we're gonna get there someday	Don't matter if I fall from the sky
But we don't need no (5) steady go, no	These wings are made to fly
Talk, talk turns into air	And we don't let nobody bring us down
And I don't even care (oh yeah)	No matter what you say it won't hurt me
Your words don't (6) a thing	Don't matter if I fall from the sky
I'm not listening	These wings are (10) to fly
Keep talking, all I know is	
Mama told me not to waste my life
