

Don't let what they say keep you up at night

## Fill in the gaps

Mama told me not to waste my life	And they can't detain you
She said spread your wings my little butterfly	'Cause wings are made to fly
Don't let what (1) say keep you up at night	And we don't let (15) bring us down
And if they give you shhh	No matter what you say it won't (16) me
Then (2) can walk on by	Don't matter if I fall (17) the sky
My feet, feet can't touch the ground	These wings are made to fly
And I can't hear a sound	I don't need no one saying
But you just keep on running up (3) mouth, yeah	(Hey, hey, hey, hey)
Walk, walk on (4) there	I don't hear no one saying
'Cause I'm too fly to care (oh yeah)	(Hey, hey, hey, hey)
Your words don't mean a thing	You'd (18) keep on walking
I'm not listening	I don't (19) hear your talking
Keep talking, all I know is	Boy'd, you'd better keep on walking
Mama told me not to (5) my life	I don't wanna hear your talking
She said (6) your wings my little butterfly	Your (20) don't (21) a thing
Don't let what they say (7) you up at night	I'm not listening
And they can't detain you	They're just like water off my wings
'Cause wings are (8) to fly	Mama told me not to waste my life
And we don't let nobody bring us down	She said spread your wings my little butterfly
No matter what you say it won't hurt me	Don't let what they say keep you up at night
Don't (9) if I fall from the sky	And they can't detain you
These wings are made to fly	'Cause wings are made to fly
I'm (10) up on that runway	And we don't let nobody bring us down
I know we're gonna get there someday	No matter (22) you say it won't (23) me
But we don't (11) no ready (12)	Don't matter if I fall (24) the sky
go, no	These wings are made to fly
Talk, talk turns into air	And we don't let nobody bring us down
And I don't (13) care (oh yeah)	No matter (25) you say it won't hurt me
Your (14) don't mean a thing	Don't matter if I fall from the sky
I'm not listening	These wings are made to fly
Keep talking, all I know is	
Mama told me not to waste my life	
She said spread your wings my little butterfly
