

Fill in the gaps

Look at me	Staring straight back at me
You may think you see	Why is my reflection
Who I really am	Someone I don't know
But you'll never (1) me	Must I pretend that I'm
Every day	Someone else
It's as if I (2) a part	For all time
Now I see	When will my reflection show
If I (3) a mask	Who I am inside
I can fool the world	There's a heart (7) must be free to fly
But I (4) fool my heart	A burn with a (8) to know the reason why
Who is that girl I see	Why must we all conceal
Staring straight back at me	What we think
When will my reflection show	How we feel
Who I am inside	Must there be a secret me
I am now	I'm forced to hide
In a world where I	I won't pretend (9) I'm
Have to hide my heart	Someone else
And what I believe in	For all time
But somehow	When will my reflection show
I (5) show the world	Who I am inside
What's inside my heart	When will my (10) show
And be (6) for who I am	Who I am inside
Who is that girl I see
