

Fill in the gaps

Look at me	Staring (6) back at me
You may think you see	Why is my reflection
Who I really am	Someone I don't know
But you'll never (1) me	Must I pretend (7) I'm
Every day	Someone else
It's as if I play a part	For all time
Now I see	When will my reflection show
If I wear a mask	Who I am inside
I can fool the world	There's a heart that must be free to fly
But I cannot fool my heart	A burn with a need to know the (8) why
Who is (2) girl I see	Why (9) we all conceal
Staring straight back at me	What we think
When will my reflection show	How we feel
Who I am inside	Must there be a secret me
I am now	I'm forced to hide
In a world (3) I	I won't pretend that I'm
Have to hide my heart	Someone else
And (4) I (5) in	For all time
But somehow	When will my reflection show
I will show the world	Who I am inside
What's inside my heart	When will my reflection show
And be loved for who I am	Who I am inside
Who is that girl I see
