Drops Of Jupiter (Tell Me) by Train

Now that's she's back in the atmosphere
With drops of (1)_____ in her hair (hey)
She acts like (2)_____ and walks like rain
Reminds me that there's time to change (hey)
Since the return from her stay on the moon
She listens like spring and she talks like June
(Hey hey)
But (3)_____ me, did you sail across the sun?
Did you make it to the Milky Way
To see the lights all faded
And that heaven is overrated?
Tell me, did you fall for a shooting star?
One without a permanent scar
And then you missed me
While you (4)_____ looking for yourself out there?
Now that she's back from the (5)_____ vacation
Tracing her way through the constellation (hey)
She (6)_____ out Mozart (7)_____ she does
Tae-Bo
Reminds me that there's room to (8)_____ (hey)
Now that she's back in the atmosphere
I'm afraid that she might think of me as
Plain ol' Jane told a story about a man
Who was too afraid to fly so he never did land
But (9)_____ me, did the wind sweep you off your feet?
Did you finally get the chance
To dance (10)_____ the light of day
And head back to the (11)_____ Way?
And tell me, did Venus blow (12)_____ mind?
Was it everything you wanted to find?
And then you missed me

While you were looking for yourself out there
Can you imagine no love, pride, deep-fried chicken
Your best friend always (13)_____ up for you
Even when I (14)_____ you're wrong
Can you imagine no first dance, freeze-dried romance
Five-hour phone conversation
The best soy latte that you (15)_____ had, and me?
But (16)_____ me, did the wind sweep you off your feet?
Did you finally get the chance
To dance (17)_____ the light of day
And head back toward the (18)_____ Way?
But tell me, did you (19)_____ (20)_____ the
sun?
Did you make it to the Milky Way
To see the (21)_____ all faded
And that heaven is overrated?
And tell me, did you fall for a (22)_____ star?
One without a permanent scar
And then you (23)_____ me
While you were looking for yourself?
(Na na na...)
And did you finally get the chance
To dance along the (24)_____ of day?
(Na na na...)
And did you fall for a (25)_____ star?
Fall for a (26)_____ star?
(Na na na...)
And now you're lonely looking for (27)_____
out there

Fill in the gaps

Answer

1. Jupiter
