Love Like Winter by AFI

Warn you once to turn away
Here it's December, everyday
Press (1)_____ lips to the sculptures
And surely you'll stay (love (2)_____ winter...)
Fire, sugar, and ice
I am made, I am made
It's in the blood, it's in the blood
I met my love, before I was born
He wanted love, I taste the blood
He bit my lip, and drank my warmth
From years before
From (3)_____ before
She (4)_____ the (5)_____ lace
I barely (6)_____ her, (7)_____
(yesterday...)
With the (8)_____ in the mirror
Through the (9)_____ trace...
She (10)_____ "It seems you're somewhere, far away..."

To his place"
It's in the blood, it's in the blood
I met my love, (11)_____ I was born
She wanted love, I taste the blood
She bit my lip, and drank my warmth
From (12)_____ before
From (13)_____ before
Love like winter (Oh oh...)
Love (14)_____ winter, winter... 3...4...
It's in the blood, it's in the blood
