

Fill in the gaps

Another summer day	Someone (16) life
Has come and gone away	It's (17) I just (18) outside
In (1) and Rome	When everything was going right
But I (2) go home	And I know (19) why
	You could not come along (20) me
May be surrounded by	This was not your dream
A million people I	But you (21) in me
Still feel all alone	Another (23) day
I (3) wanna go home	Has come and (24) away
(Oh) I miss you, you know	In even (25) and Rome
And I've been keeping all the letters	And I wanna go home
That I wrote to you	Let me go home
Each one a line or two	And (26) by
I'm fine baby, how are you?	A million people I
Well I (4) (5) them but	Still (28) alone
I know (6) (7) (8) not	(Oh) let me go home
enough	(Oh) I miss you, you know
My (9) cold and flat	Let me go home
And you deserve more (11) that	I've had my run
Another airplane	Baby, I'm done
Another sunny place	I gotta go home
I'm lucky, I know	Let me go home
But I wanna go home	And it will all be all right
I've got to go home	I'll be home tonight
Let me go home	I'm coming back home
I'm just too far	
From where you are	
I (12) home	
And I (14) just (15) I'm living
