## Haven't Met You Yet by Michael Bublé

I'm not surprised, not everything lasts	I just haven't met you yet	
I've broken my heart so many times	They say all's fair	
I stopped keeping track	In (4) and war	
Talk myself in, I talk myself out	But I won't need to fight it	
I get all worked up	We'll get it right and we'll be united	
Then I let myself down	And I know that we can be so amazing	
I tried so very hard not to (1) it	And being in your life is gonna (5)	_ me
I came up with a million excuses	And now I can see every single possibility	
I thought, I thought of every possibility	And someday I know it'll all turn out	
And I know someday that it'll all turn out	And I'll work to work it out	
You'll make me work	Promise you kid	
So we can work to work it out	I'll (6) more than I get, than I get	
And I promise you kid	Than I get, than I get	
That I give so much more (2) I get	(Oh) You know it'll all turn out	
I just haven't met you yet	And you'll make me work	
(Mmmm mm mmm)	So we can work to work it out	
I might have to wait	And I promise you kid	
I'll never give up	To (7) so much more than I get	
I guess it's half timing	(Yeah) I just haven't met you yet	
And the other half's luck	I just haven't met you yet	
Wherever you are, whenever it's right	(Oh) (8) you, kid	
You'll come out of nowhere and into my life	To (9) so much more than I get	
And I know that we can be so amazing	I said love, love, love	
And baby your love is gonna change me	Love, love	
And now I can see every single possibility	I just haven't met you yet	
(Mmm)	Love, love, love	
And I know someday that it'll all turn out	Love, love	
You'll make me work	I just haven't met you yet	
So we can work to work it out		
And I promise you kid		
That I (3) so much more than I get
