Until forever comes

Fill in the gaps

I'm better	You'll find us chasing the sun
So much better now	They said this day wouldn't come
I see the light, touch the light	We refused to run
We're (1) now	We've only just begun
I'm better	You'll find us chasing the sun
So much (2) now	The sun, the sun
Look to the skies, gives me life	You'll find us chasing the sun
We're together now	(Oh oh oh oh oh)
We've only just begun	(Oh oh oh oh oh)
Hypnotized by drums	(Oh oh oh oh oh)
Until forever comes	You'll find us chasing the sun
You'll find us chasing the sun	(Oh oh oh oh oh)
They said (3) day wouldn't come	(Oh oh oh oh oh)
We (4) to run	(Oh oh oh oh oh)
We've (5) just begun	You'll find us (8) the sur
You'll find us chasing the sun	When the daylight's fading
(Oh oh oh oh oh)	We're gonna (9) in the dark
(Oh oh oh oh oh)	Till it's golden again
(Oh oh oh oh oh)	And now it feels so amazing
You'll find us chasing the sun	Can see you coming
(Oh oh oh oh oh)	And we'll never grow old again
(Oh oh oh oh oh)	You'll find us chasing the sun
(Oh oh oh oh oh)	
You'll (6) us chasing the sun	You'll find us chasing the sun
When daylight's fading	When the daylight's fading
We're gonna play in the dark	We're gonna play in the dark
Till it's golden again	Till it's golden again
And now it feels so amazing	And now it feels so amazing
Can see you coming	Can see you coming
And we'll never grow old again	And we'll never grow old again
You'll (7) us chasing the sun	You'll find us chasing the sun
I'm never	(Oh oh oh oh oh)
I'm never down	(Oh oh oh oh oh)
Lying here, staring up	(Oh oh oh oh oh)
And you're looking down	You'll find us chasing the sun
I'm never	(Oh oh oh oh oh)
I'm never down	(Oh oh oh oh oh)
Live forever, forever	(Oh oh oh oh oh)
With you around	You'll find us chasing the sun
We've only just begun
