

No more lost endeavors

Fill in the gaps

Declining, all color fading		Nothing to contend	
Defining, time coming for me		When I'm free	
Rescinding, my inspiration Time is just a concep			
Receding consciousness		And (6)	the first thing to fade
Back in the day I can recall that		Agony and weakness	
My thoughts were unclouded and sage		Nothing we can never evade	
There was no black (1) the walls of my		Years are cruel, they (7) us	
memories		Bringing on decay and despair	
Now there's a haze pushing me sideways		Awareness and perception	
And leaving me nothing to gain		Something we can never repair	
Taking me back, locking me cold in disparity		Freedom for me is all I'm really wanting, needing	
Where was I meant to be?		Give me (8)	to break out
I (2) I'm (3) in a dream		I can't hold on for any longer	
Long for the day I can be myself		My time has come to end it all	
/hen I'm free No one to blame, fate's only rand		s only random	
When my sun has set		It's nothing we'll ever explain	
Released my soul forever		So it remains	
I'll have no regret		Where was I (9)	to be?
To be free		I feel I'm lost in a dream	
I'll (4) again		Long for the day I can be myself	
No more lost endeavors		Free	
Nothing to contend		When (10) I be unleashed?	
When I'm free		It's not the way it should be	
Color declines, all that defines me		Yearning again only to be myself	
Is falling away, far behind		When I'm free	
Nothing to keep me with the time		When my sun has set	
The here and now		Released my soul forever	
Where am I meant to be?		I'll have no regret	
I (5) I'm lost in a dream		To be free	
Yearning again only to be myself		I'll exist again	
When I'm free		No more lost endeavors	
When my sun has set		Nothing to contend	
Released my soul forever		When I'm free	
I'll have no regret			
To be free			
I'll exist again
