

Fill in the gaps

	It doesn't matter where we die
(Sanguis (1) tibi no iam perbibendus sit)	It doesn't matter that you cry
(Macula aeternitatis (2) detergenda)	We will (12) you (13) us
(Quisnam surget et deteget)	It doesn't (14) where we die
(Imaginem veritatis?)	It doesn't (15) that you cry
People created religious inventions	
To give their lives a glimmer of hope	A disgrace on the beyond
And to erase their (3) of dying	(O servator, sempiterne)
And people created religious intentions	(Te grati coluimus)
Only to feel superior and to (4) a license to kill	(Odor atrox quo nos (16)
Our desire to die is stronger than all	intolerabilis est)
Your desire for life	Deceive yourself by yieldind to soft words
There is no getting away from it now	That (17) no pain
Only (5) faith survives	Enrich yourself with different views learned
People created religious inventions	Without disdain
To give their lives a glimmer of hope	A disgrace on the beyond
And to erase their fear of dying	That can never be undone
And people created religious ascensions	Who shall rise and unviel
To subject others ans to enslave	The façade of reality?
Just to further enrich themselves	Deceive yourself by yielding to soft words
Our desire to die is stronger than all	That (18) no pain
Your (6) for life	Enrich yourself with (19) views
There is no getting (7) (8) it now	learned
Only (9) faith survives	Without disdain
Our desire to die is stronger than all	Is there still (20) for new (21) in old
Your (10) for life	wrecks?
There is no getting away from it now	A (22) on the beyond (23)
Only truth faith survives	can (24) be undone
This (11) terrorism	Deceive (25) by yielding to soft words
s the new evil in our world today	Enrich yourself by making up your own mind
	(Sanguis meus tibi non iam perbibendus sit)
