## Lucidity by Tame Impala

## Fill in the gaps

I know where you went
But I don't know how you got there
I know where you went
But I don't know how you got there
Silver tongue hill
Where you (1) up what I'd (2) down
I would (3) up
But I wouldn't know what to say
Lucidity, (4) back to me
Put all five senses back to
Where they're meant to be
(Oh) it's hard to tell, it breaks down
There is a will, (5) is a way
Wondering around like spare time never (6) it
Wondering around like spare time never (6) it  I might suck fizzle or I (7) just (8) away
I might suck fizzle or I (7) just (8) away
I might suck fizzle or I (7) just (8) away  And we'll go running off tonight
I might suck fizzle or I (7) just (8) away  And we'll go running off tonight  High above
I might suck fizzle or I (7) just (8) away  And we'll go running off tonight  High above  Where we won't even (9) to reach
I might suck fizzle or I (7) just (8) away  And we'll go running off tonight  High above  Where we won't even (9) to reach  The sky my love
I might suck fizzle or I (7) just (8) away  And we'll go running off tonight  High above  Where we won't even (9) to reach  The sky my love  (Oh) there will be a change in the air
I might suck fizzle or I (7) just (8) away And we'll go running off tonight  High above  Where we won't even (9) to reach  The sky my love  (Oh) there will be a change in the air  Nobody will be anybody else
I might suck fizzle or I (7) just (8) away And we'll go running off tonight  High above  Where we won't even (9) to reach  The sky my love  (Oh) there will be a change in the air  Nobody will be anybody else  Lucidity, come back to me
I might suck fizzle or I (7) just (8) away And we'll go running off tonight  High above  Where we won't even (9) to reach  The sky my love  (Oh) there will be a change in the air  Nobody will be anybody else  Lucidity, come back to me  Put all five senses back to

Tread boldly right down to the lair...

## Ans 1. talk

- 2. play
- 3. speak
- 4. come
- 5. there
- 6. knew
- 7. might
- 8. float
- 9. need
