## Fill in the gaps

| Public enemy number one                |
|--|
| Jailbait and a smoking gun             |
| You won't believe the things I've done |
| Every killing was (1) for fun          |
| Public enemy (2) one                   |
| Stole a car and I'm on the run         |
| Through the night to the rising sun    |
| And the trouble has (3) begun          |
| Roses on your grave                    |
| I'll be on my way                      |
| There's no time to stay                |
| With the enemies I've made             |
| I'm invincible                         |
| You might say despicable               |
| Punishments reciprocal                 |
| Public enemy number one                |
| I'm unbeatable                         |
| My mind's untreatable                  |
| Crimes, repeatable                     |
| Public enemy (4) one                   |
| Public enemy number one                |
| Watch the authorities (5) undone       |
| Whit every standoff I've won           |
| Flirting death is just for fun         |
| Public enemy number one                |
| Born fugitive father's son             |
| Another (6) of a bank is done          |
| And the trouble has just begun         |
| Roses on your grave                    |
