

The Suburbs (Live) by Arcade Fire

In the suburbs I
I learned to drive
And you told me we'd never survive
Grab your mother's keys, we are leaving
You always seemed so sure
That one day we'd be fighting
In a suburban war
Your part of town (1) $\qquad$ me

I saw you (2) $\qquad$ on the opposite shore

But by the time the first bombs fell
We were already bored
We were already, already bored
Sometimes I can't (3) $\qquad$ it
I'm (4) $\qquad$ past the feeling

Sometimes I can't believe it
I'm moving past the feeling again
The kids want to be so hard
But in my (5) $\qquad$ we're still screaming
And running (6) $\qquad$ the yard
When all of the walls that they built
In the 70's finally fall
And all of the houses they built
In the 70's finally fall
Meant nothing at all?
It meant nothing at all, it meant nothing
Sometimes I can't believe it
I'm moving past the feeling

Sometimes I can't believe it
I'm moving past the feeling, into the night
So can you understand
Why I want a daughter while I'm still young?
I want to hold her hand
And show her (7) $\qquad$ beauty before
All this damage is done
But if it's too much to ask, if it's too much to ask
Then send me a son
Under the overpass
In the parking lot we're still waiting
It's already past
So move (8) $\qquad$ feet from hot pavement

And into the grass
'Cause it's already past
It's already, already past
Sometimes I can't believe it
I'm (9) $\qquad$ past the feeling
Sometimes I can't believe it
I'm moving past the feeling again
I'm moving past the feeling
I'm moving past the feeling
In my dreams we're (10) $\qquad$ screaming
We're still screaming
We're still screaming
