

The Suburbs (Live) by Arcade Fire

In the suburbs I
I learned to drive
And you told me we'd never survive
Grab your mother's keys, we are leaving
You always seemed so sure
That one day we'd be fighting
In a (1) $\qquad$ war

Your (2) $\qquad$ of town against me

I saw you standing on the (3) $\qquad$ shore

But by the time the first bombs fell
We were already bored
We were already, already bored
Sometimes I can't believe it
I'm moving past the feeling
Sometimes I can't believe it
I'm moving past the feeling again
The kids want to be so hard
But in my dreams we're still screaming
And running through the yard
When all of the walls that they built
In the 70's finally fall
And all of the (4 $\qquad$ they built

In the 70's finally fall
Meant (5) $\qquad$ at all?
It meant nothing at all, it meant nothing
Sometimes I can't believe it
I'm moving past the feeling

Sometimes I can't believe it
I'm moving past the feeling, into the night
So can you understand
Why I want a daughter while I'm still young?
I want to hold her hand
And show her some (6) $\qquad$ before
All this damage is done
But if it's too much to ask, if it's too much to ask Then send me a son

Under the overpass
In the (7) $\qquad$ lot we're still waiting
It's already past
So move your feet from hot pavement
And into the grass
'Cause it's already past
It's already, already past
Sometimes I can't believe it
I'm moving past the feeling
Sometimes I can't believe it
I'm moving (8) $\qquad$ the feeling again

I'm moving past the feeling
I'm (9) $\qquad$ past the feeling

In my dreams we're still screaming
We're still screaming
We're (10) $\qquad$ screaming
