

Fill in the gaps

I've got a suitcase in my hand	Scary (6) and frightening sound
Filled with stuff (1) precious to me	In my mind (7) I try (8) it
Sidewalk brings my feet	Heading through this hope not one-way alley
Wherever they're headed.	I can't really sense my surroundings
There is no directions given	Seems to be all dark around.
Just some trust in human mind to rely on	Nothing there, to lighten up my way.
And to hold on to.	Honestly don't know where I'll end up at last
Honestly don't know where I'll end up at last	Won't even count the days.
Won't even count the days.	One thing I sure know I won't move so fast.
One thing I sure (2) I won't move so fast	My mind is complete haze.
My mind in complete haze.	I pass by
I pass by	Don't (9) to stop
Don't (3) to stop	When there's someone I see
When there's someone I see	There's no one here but me
There's no one (4) but me	I'm fooled by something inside my head
I'm fooled by something inside my head.	If I lay down now
If I lay down now	I might seem kinda dead
I might seem kinda dead	
Just (5) on wasting time.
