

## Fill in the gaps

I took a walk around the world	You stumbled in and bumped your head
To (1) my troubled mind	And if not for me then you'd be dead
I left my (2) lying somewhere	I picked you up and put you
In the sands of time	Back on solid ground
But I watched the (3) float	If I go crazy then will you still call me Superman
To the dark side of the moon	If I'm alive and well
I feel there's (4) I can do, yeah	Will you be there a-holding my hand
I watched the world float	I'll keep you by my side
To the dark side of the moon	With my superhuman might, kryptonite
After all I knew	
It had to be something to do with you	If I go crazy (9) will you still call me Superman
I (5) don't (6) what happens now	If I'm alive and well
and then	Will you be there holding my hand
As long as (7) be my friend at the end	I'll keep you by my side
If I go crazy	With my superhuman might, kryptonite
Then will you still call me Superman	(Yeah!)
If I'm alive and well	If I go crazy then will you still call me Superman
Will you be there a-holding my hand	If I'm alive and well
I'll keep you by my side	Will you be there a-holding my hand
With my superhuman might, kryptonite	I'll keep you by my side
You called me strong	With my superhuman might, kryptonite
You called me weak	
But still your secrets I will keep	
You took for granted all the times	
I (8) let you down	

- 1. ease
- 2. body
- 3. world
- 4. nothing
- 5. really
- 6. mind
- 7. you'll
- 8. never
- 9. then
