## When You Were Around by Lene Marlin

I miss those times,	Haven't neard from you,
I miss those days	I (3) that means
When you were around,	That I'm no good no more,
in so many ways	that's (4) it seems
And it felt so safe,	And I, was waiting patiently,
and I was glad.	But you (5) came
But now something's changed,	I (6) it now, won't ever be the same again
That makes me sad	Won't ever be the same again
And I, was waiting patiently,	You see, I gave up (7) for you to care
But you never came	You're not there,
I realize it now, won't ever be the same again	and I wonder if you ever were
Won't (1) be the same again	And I, was waiting patiently,
If you're (2) fine,	But you never came
I don't know	I realize it now, won't ever be the same again
You see, I gave up calling	Won't (8) be the same again
long time ago
