All This And Heaven Too Good Quality by Florence + The Machine

And the heart is hard to translate
It has a (1)_____ of its own
It (2)_____ and turns in quiet sighs
In prayers and proclamations
In the grand (3)_____ of (4)_____ men
And the smallest of gestures
In short shallow gasps
But with all my education
I can't seem to command it
And the words are all escaping
Coming back all damaged
And I would put them back in poetry
If I'd only knew how
I can't seem to understand it
I (5)_____ (6)_____ all (7)_____ and
heaven too
I would (8)_____ it all if only for a moment
That I could just understand
The meaning of the word you see
'Cause I've been (9)_____ it forever
But it never (10)_____ sense to me at all
And it (11)_____ to me in tiptoes
And it sings to me inside
It (12)_____ out in the darkest night
And (13)_____ in the (14)_____ light
But with all my education
I can't seem to command it
And the words are all escaping

Come (15)_____ all damaged
I would put them back in poetry
If I'd only knew how
I can't (16)_____ to understand it
And I would (17)_____ all (18)_____ and heaven
too
I would give it all if only for a moment
That I could just understand
The meaning of the word you see
'Cause I've been scrawling it forever
But it never (19)_____ sense to me at all
And I would give all (20)_____ and (21)_____
too
I would (22)_____ it all if only for a moment
That I could just understand
The meaning of the word you see
'Cause I've been scrawling it forever
But it (23)_____ makes sense to me at all
No words are language
It doesn't deserve (24)_____ treatment
And all my stumbling phrases never amounted
To anything worth this feeling
All this heaven
Never could describe such a feeling as I'm in
Words were never so useful
So I'm (25)_____ out a language
That I never knew existed before
