

Fill in the gaps

Say my name like it's the last time	we're standing in a (14) (15) won
Live today (1) its your last night	fade
We want to cry but we know its alright	Tomorrow's coming but this won't change
Cause I'm with you and you're with me	Cause some days stay gold forever
Butterflies, butterflies	The memory of being here (16) you
We were meant to fly	Is one I'm gonna (17) my life through
You and I, you and I, colors in the sky	Cause some days (18) gold forever
We could rule the world someday, somehow	I won't, I won't let your memory go
But we'll never be as bright as we are now	Cause your colors (19) burn so bright
We're (2) in a light that won't fade	Who knows, who knows (20) tomorrow
Tomorrow's coming but this won't change	(21) hold
Cause (3) (4) stay (5)	But I (22) that we'll be alright
forever	Cause we're butterflies, butterflies
The memory of being here (6) you	We were meant to fly
Is one I'm (7) take my life through	You and I, you and I Colors in the sky
Cause some days (8) (9) forever	We (23) (24) the world someday
Promise me you'll stay the way you are	somehow
Keep the fire alive and (10) young at heart	But we'll never be as (25) as we are now
When the (11) (12) like it could	We're standing in a light that won't fade
blow you out	Tomorrow's coming but this won't change
Remember, you got me and I got you	Cause (26) days stay gold forever
Cause we are butterflies, butterflies	The (27) of being here with you
We (13) meant to fly	Is one I'm (28) take my life through
You and I, you and I Colors in the sky	Cause some days stay gold forever
When the innocence is dead and gone	
These will be the times we look back on
