Say my name like it's the last time		
Live today (1) its your last night		
We want to cry but we know its alright		
Cause I'm with you and you're with me		
Butterflies, butterflies		
We were meant to fly		
You and I, you and I, colors in the sky		
We could rule the world someday, somehow		
But we'll (2) be as bright as we are now		
We're standing in a light that won't fade		
Tomorrow's coming but this won't change		
Cause some days stay gold forever		
The memory of being (3) with you		
Is one I'm gonna take my (4) through		
Cause some days stay (5) forever		
cause semie days stay (s) rerever		
Promise me you'll stay the way you are
