

The rush, too much

Fill in the gaps

You're in control	And (13) it comes
Pressing "pause" on my heartbeat	When (14) lips touch mine
Someone (1) all the air	It's the kiss of life
So I can't speak now	I know
I know the (2) is on	I (15) (16) it's a (17) bit
I feel as though	frightening
My time has come	We might as (18) be playing
How many (3) do I fly	With lightning
Through (4) head space	We (19) like
Now we're speeding away	Like it's our (20) time
From a safe place	(Oh oh)
Yeah your skin	I (21) it's a little bit frightening
The touch, the kiss	We might as well be playing
The rush, too much	With lightning now
And here it comes	(Oh oh)
When your lips touch mine	(Oh oh)
It's the kiss of life	(Oh oh)
I know	(Oh oh)
I know (5) it's a little bit frightening	Your skin, the touch
We might as well be playing	Then kiss, too much
With lightning	Your skin, the touch
We touch like	Then kiss, the rush
Like it's our (6) time	Your skin, the touch
(Oh oh)	Then kiss, too much
I know (7) it is a little bit frightening	The rush, the rush
We (8) as well be playing	The rush, the rush
With lightning now	When your (22) (23) mine
(Oh oh)	It's the (24) of life
(Oh oh)	I know
Just you and me	I know that it's a little bit frightening
And the (9) in the bathroom	We (25) as well be playing
Learning things they don't	With lightning
Teach in the classroom	We touch like
Now, your here	Like it's our (26) time
I feel the fear	(Oh oh)
Where everything	I know it's a (27) bit frightening
Is all so clear	We might as well be playing
I've (10) addicted to you	With lightning now
Since the (11) hit	(Oh oh)
Out of control (12) a surge of electric	(Oh oh)
Yeah, your skin	
The touch, The kiss
