

The touch, The kiss The rush, too much

Fill in the gaps

You're in control	And here it comes
Pressing "pause" on my heartbeat	When your lips touch mine
Someone stole all the air	It's the (6) of life
So I can't (1) now	I know
I know the chase is on	I know that it's a little bit frightening
I feel as though	We might as well be playing
My time has come	With lightning
How many (2) do I fly	We touch like
Through your head space	Like it's our first time
Now we're speeding away	(Oh oh)
From a (3) place	I know it's a little bit frightening
Yeah (4) skin	We might as well be playing
The touch, the kiss	With lightning now
The rush, too much	(Oh oh)
And here it comes	(Oh oh)
When your lips touch mine	(Oh oh)
It's the kiss of life	(Oh oh)
I know	Your skin, the touch
I know that it's a little bit frightening	Then kiss, too much
We might as well be playing	Your skin, the touch
With lightning	Then kiss, the rush
We touch like	Your skin, the touch
Like it's our first time	Then kiss, too much
(Oh oh)	The rush, the rush
I (5) that it is a little bit frightening	The rush, the rush
We might as well be playing	When your lips (7) mine
With lightning now	It's the kiss of life
(Oh oh)	I know
(Oh oh)	I (8) that it's a little bit frightening
Just you and me	We might as well be playing
And the coats in the bathroom	With lightning
Learning things they don't	We touch like
Teach in the classroom	Like it's our first time
Now, your here	(Oh oh)
I feel the fear	I know it's a little bit frightening
Where everything	We might as well be playing
Is all so clear	With (9) now
I've been addicted to you	(Oh oh)
Since the first hit	(Oh oh)
Out of control like a surge of electric	
Yeah, your skin
