

Fill in the gaps

And (1) is not the easy thing	Stay safe tonight
The only baggage you can bring	And I know it aches
And love is not the easy thing	And (16) heart it breaks
The only baggage you can bring	And you can only take so much
Is all that you can't (2) behind	Walk on
And if the darkness is to keep us apart	Walk on
And if the daylight feels (3) it's a (4)	Home, hard to know what it is
way off	If you've never had one
And if your glass heart should crack	Home, I (17) say (18) it is
And for a (5) you turn back	But I know I'm going home
(Oh no)	That's where the (19) is
Be strong	I (20) it aches
(Oh oh)	How your (21) it breaks
Walk on, walk on	And you can only take so much
You got they can't (6) it	Walk on
No (7) can't (8) feel it	All (22) you fashion
Walk on, (9) on	All (23) you make
Stay safe tonight	All (24) you build
You're (10) a suitcase for a place	All that you break
None of us has been	All that you measure
A place that has to be (11) to be seen	All that you steal
You could (12) flown away	All this you can (25) behind
A singing bird in an open cage	All that you reason
Who (13) only fly, only fly for freedom	Leave it behind
Walk on, walk on	
What you've got (14) can't (15) it	
Can't sell it, can't buy it	
Walk on, walk on
