

## Fill in the gaps

| Remember the first day when I saw (1) face         |
|--|
| Remember the first day when you smiled at me       |
| You stepped to me and then you said to me          |
| I was the woman you dreamed about                  |
| Remember the first day when you called my house    |
| Remember the (2) day when you took me out          |
| We had butterflies although we tried to hide       |
| And we both had a beautiful night                  |
| The way we held each others hand                   |
| The way we talked, the way we laughed              |
| It felt so good to find (3) love                   |
| I knew right then and there you were the one       |
| I know (4) he loves me 'cause he told me so        |
| I know that he loves me 'cause his feelings show   |
| When he stares at me, you see he cares for me      |
| You see how he is so deep in love                  |
| I know that he loves me 'cause it's obvious        |
| I know that he loves me 'cause it's me he trusts   |
| And he's missing me if he's not kissing me         |
| And when he looks at me, his brown eyes tell it so |
| Remember the first day, the first day we kissed    |
| Remember the first day we had an argument          |
| We apologized and then we compromised              |
| And we haven't argued since                        |
| Remember the first day we stopped playing games    |
| Remember the first day you fell in love with me    |
| It felt so good for you to say those words         |
| 'Cause I (5) the same way too                      |
| The way we held each others hand                   |
| The way we talked the way we laughed               |

It felt so good to fall in love And I knew right then and there you were the one I know that he loves me 'cause he told me so I know that he loves me 'cause his feelings show When he stares at me, you see he cares for me You see how he is so deep in love I (6) that he loves me 'cause it's obvious I know that he loves me 'cause it's me he trusts And he's missing me If he's not kissing me And when he looks at me, his brown eyes tell it so I'm so happy So happy that you're in my life And baby now that you're a part of me You showed me Showed me the true meaning of love The true meaning of love And I know he loves me I know (7)\_\_\_\_\_ he loves me 'cause he told me so I know that he loves me 'cause his feelings show When he stares at me you see he cares for me You see how he is so deep in love I know that he (8)\_\_\_\_\_ me 'cause it's obvious I know that he loves me 'cause it's me he trusts And he's missing me if he's not kissing me And when he looks at me his brown eyes (9)\_\_\_\_\_ it so He looks at me and his (10)\_\_\_\_\_ eyes tell it so
