Fill in the gaps

Boulevard Of Broken Dreans by Green Day

I walk a lonely road	What's fucked up and everything's alright
The only one (1) I have ever known	Check my vital (6) to know I'm still alive
Don't know were it goes	And I walk alone
But it's home to me and I walk alone	I walk alone I walk alone
I walk this empty street	I (7) alone and I walk a-
On the Boulevard of broken dreams	My shadows the (8) one that walks
Were the city (2)	(9) me
And I'm the only one and I walk alone	My shallow hearts the only thing that's beating
I walk alone I walk alone	Sometimes I (10) someone out there will find me
I walk alone and I walk a-	'Till then I'll walk alone
My shadows the only one that walks beside me	Ahah
My shallow hearts the only thing that's beating	I walk alone and I walk a-
Sometimes I wish someone out there will find me	I walk this empty street
'Till then I'll (3) alone	On the Boulevard of broken dreams
Ahah	Were the city sleeps
I'm walking down the (4)	And I'm the only one and I walk a-
That divides me somewhere in my (5)	My shadows the only one that walks beside me
On the border line of the edge	My shallow hearts the only thing that's beating
And where I walk alone	Sometimes I wish someone out there will find me
Read between the lines	'Till then I'll walk alone.
