The Islander by Nightwish

An old man by a seashore
At the end of day
Gazes the horizon with seawinds in his face
Tempest-tossed island
Seasons all the same
Anchorage unpainted and a ship without a name
Sea without a shore for the banished one unheard
He lightens the beacon light at the end of world
Showing the way, (1)_____ hope in their hearts
The ones on (2)_____ travels (3)_____
from afar
This is for long-forgotten
Light at the end of the world
Horizon crying
The tears he left behind long ago
The albatross is flying
Making him daydream
The time (4)_____ he became
One of the world's unseen
Princess in the tower
Children in the fields
Life gave him it all
An island of the universe

(Oh)
Now his love's a memory
A ghost in the fog
He sets the sails one last time saying
Farewell to the world
Anchor to the water
Seabed far below
Grass still in his feet
And a smile (5)_____ his brow
This is for long-forgotten
Light at the end of the world
Horizon crying
The tears he (6)_____ behind so long ago
So long ago
So long ago
This is for long-forgotten
Light at the end of the world
Horizon crying
The tears he left behind so (7)_____ ago
So long ago
