

Get a front door key to the Playboy mansion

## Fill in the gaps

I'm through with standing in line	Gonna date a centerfold
To clubs we'll never get in	That loves to (7) my money for me
It's like the bottom of the ninth	(So how you gonna do it?)
And I'm never gonna win	I'm gonna trade this life for fortune and fame
This life hasn't turned out	I'd even cut my hair and change my name
Quite the way I want it to be	'Cause we all just wanna be big rockstars
(Tell me what you want)	And live in hilltop (8) driving fifteen cars
I want a brand new house on an episode of Cribs	The girls come easy and the drugs come cheap
And a bathroom I can play baseball in	We'll all stay skinny
And a king size tub big enough for ten plus me	'Cause we just won't eat and we´ll
(So what you need?)	Hang out in the coolest bars
I'll (1) a (2) card that's got no limit	In the VIP with the movie stars
And a big (3) jet with a bedroom in it	Every good gold digger's gonna wind up there
Gonna join the (4) high club	Every Playboy bunny
At thirty-seven thousand feet	With her bleach blond hair and we'll
(Been there, (5) that)	Hide out in the private rooms
I want a new tour bus full of old guitars	With the latest dictionary and today's who's who
My own star on Hollywood Boulevard	They'll get you anything with that evil smile
Somewhere between Cher	Everybody's got a drug dealer on speed dial, well
And James Dean is fine for me	Hey, hey I wanna be a rockstar
(So how you gonna do it?)	I'm gonna sing those songs that offend the censors
I'm gonna trade this life for fortune and fame	Gonna pop my pills from a pez dispenser
I'd even cut my hair and change my name	I'll get washed-up singers writing all my songs
Cause we all just wanna be big rockstars	Lip sync them (9) night so I don't get them
And live in hilltop houses driving fifteen cars	wrong
The girls come easy and the drugs come cheap	Well we all just wanna be big rockstars
We'll all stay skinny	And live in hilltop houses driving fifteen cars
'Cause we just won't eat and we´ll	The girls come easy and the drugs come cheap
Hang out in the coolest bars	We'll all stay skinny
In the VIP with the movie stars	'Cause we just won't eat and we'll
Every good gold digger's gonna wind up there	Hang out in the coolest bars
Every Playboy bunny	In the VIP with the (10) stars
With her bleach blond hair and we'll	Every good gold digger's gonna wind up there
Hey, hey I wanna be a rockstar	Every Playboy bunny
Hey, hey I wanna be a rockstar	With her bleach blond hair and we'll
I wanna be great like Elvis without the tassels	Hide out in the private rooms
Hire eight body (6) that love to beat up	With the latest dictionary and today's who's who
assholes	They'll get you anything with that evil smile
Sign a couple autographs	Everybody's got a drug dealer on speed dial, well
So I can eat my meals for free	Hey, hey I wanna be a rockstar
(I'll have the quesadilla)	Hey, hey I wanna be a rockstar
I'm gonna dress my ass with the latest fashion
