

Fill in the gaps

Every Single Night by Fiona Apple

Every single night, I endure the flight
Of little wings of white-flamed butterflies in my brain
These ideas of (1)_____ percolate the mind
Trickle down the spine
Swarm the belly, swelling to a blaze
That's when the pain comes in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the (2)_____ in, no
Every single night's a light with my brain
What do I say to her?
Why do I say it to her?
What does she (3)_____ of me?
That I'm not (4)_____ I ought to be
That I'm (5)_____ I try not to be
It's got to be somebody else's fault
I can't get caught
If (6)_____ I am is (7)_____ I am, 'cause I does
(8)_____ I does
Then brother, get back
'Cause my breast's gonna (9)_____ open
The rib is the shell and (10)_____ is the yolk
And I just need a meal for us both to choke on

Every single night's a fight with my brain
I (11)_____ want to feel everything
I just want to feel everything
I just want to feel everything
So I'm (12)_____ try to be still now
Gonna (13)_____ the mill a
(14)_____ while and
If we had a double king (15)_____ bed
We (16)_____ move in it and I'd soon forget
If what I am is (17)_____ I am, 'cause I does what I does
And maybe I'd relax, let my breast just (18)_____ open
My heart's made of (19)_____ of all that's around me
And that's why the devil just can't get around me
Every (20)_____ night's alright
Every single night's a fight
And every single fight's alright (21)_____ my brain
I just (22)_____ to (23)_____ everything
I just want to (24)_____ everything
I (25)_____ want to (26)_____ everything
I just want to (27)_____ everything
