

## Fill in the gaps

Elevator buttons and morning air Stranger's silence makes me wanna take the stairs If you were here We'd laugh about their vacant stares But right now, my time is theirs Seems like there's always someone who disapproves They'll judge it like they know about me and you And the verdict comes from those with nothing else to do The jury's out, but my choice is you So don't you worry your pretty little mind People (1)\_\_\_\_\_ rocks at things that shine And (2)\_\_\_\_\_ makes love look hard The stakes are high, the water's rough But this love is ours You never know what people have up their sleeves Ghosts from your past gonna jump out at me Lurking in the (3)\_\_\_\_\_ with (4)\_\_\_\_ lip gloss smiles But I don't care 'cause (5)\_\_\_\_\_ now you're mine And you'll say don't you worry your pretty little mind People throw (6)\_\_\_\_\_ at things that shine And life makes love look hard The stakes are high, the water's rough

But this love is ours
And it's not theirs to speculate if it's wrong and
Your hands are though
But they are (7) (8) belong in
I'll fight their doubt and give you faith
With this song for you
'Cause I love the gap between your teeth
And I love the riddles that you speak
And any snide remarks from my father
About your tattoos will be ignored
'Cause my heart is yours
So don't you worry your pretty little mind
People throw rocks at things that shine
And life makes love look hard
Don't you worry your pretty little mind
People throw rocks at things that shine
But they can't take what's ours
They can't take what's ours
The stakes are high, the water's rough
But this (9) is ours
