

Ours by Taylor Swift

Fill in the gaps

Elevator buttons and morning air

Stranger's (1)_____ makes me wanna take the stairs

If you were here

We'd laugh about (2)_____ vacant stares

But right now, my time is theirs

Seems (3)_____ there's always someone who disapproves

They'll judge it like they know about me and you

And the verdict comes from (4)_____ with

(5)_____ (6)_____ to do

The jury's out, but my choice is you

So don't you worry (7)_____ pretty little mind

People throw rocks at (8)_____ that shine

And life (9)_____ (10)_____ look hard

The (11)_____ are high, the water's rough

But this love is ours

You never know (12)_____ people have up their sleeves

Ghosts from (13)_____ past gonna (14)_____ out at me

Lurking in the shadows with their lip gloss smiles

But I don't care 'cause right now you're mine

And you'll say don't you (15)_____ your pretty little mind

People throw rocks at things that shine

And life makes love look hard

The stakes are high, the water's rough

But this love is ours

And it's not theirs to speculate if it's wrong and

Your hands are though

But (16)_____ are (17)_____ mine

(18)_____ in

I'll fight their doubt and give you faith

With this (19)_____ for you

'Cause I (20)_____ the gap between your teeth

And I love the riddles that you speak

And any snide (21)_____ from my father

About your tattoos will be ignored

'Cause my (22)_____ is yours

So don't you (23)_____ your pretty little mind

People (24)_____ rocks at things that shine

And life makes love look hard

Don't you worry your pretty (25)_____ mind

People throw rocks at things that shine

But they can't (26)_____ what's ours

They can't take what's ours

The stakes are high, the water's rough

But this love is ours
