

## Fill in the gaps

Elevator buttons and morning air
Stranger's silence makes me wanna take the stairs
If you were here
We'd laugh about their vacant stares
But right now, my time is theirs
Seems like there's always someone who disapproves
They'll judge it like they know about me and you
And the (1) (2) from those
with nothing (3) to do
The jury's out, but my choice is you
So don't you worry (4) pretty little mind
People (5) rocks at things that shine
And life (6) (7) (8) hard
The stakes are high, the water's rough
But this love is ours
You never know what people (9) up their sleeves
Ghosts from (10) (11) gonna
(12) out at me
Lurking in the shadows with their lip gloss smiles
But I don't care 'cause right now you're mine
And you'll say don't you worry (13) pretty little mind
People throw rocks at things that shine
And life makes love look hard
The (14) are high, the water's rough

But this love is ours
And it's not (15) to speculate if it's wrong and
Your (16) are though
But (17) are where mine (18) in
I'll fight their doubt and give you faith
With this (19) for you
'Cause I love the gap between your teeth
And I love the riddles that you speak
And any snide remarks from my father
About your tattoos will be ignored
'Cause my heart is yours
So don't you worry your pretty (20) mind
People throw rocks at things that shine
And life makes (21) hard
Don't you worry your (23) little mind
People throw rocks at things (24) shine
But they can't take what's ours
They can't (25) what's ours
The stakes are high, the water's rough
But this (26) is ours
