Keeps Gettin' Better by Christina Aguilera

Step back!	And it keeps getting better
Gonna come at ya fast	Hold on
'm driving out of control	Keeps getting better
And getting ready to crash	Hold on
Won't stop shaking up what I can	Keeps getting better
serve it up in a shot	In the break of the night
So suck it down (1) a man	In the speed of the light
So baby, yes I know what I am	I hold the universe up
And no I don't give a damn	I'll make (6) planets collide
And you'll be loving it	When I strap on my boots
Some days I'm a super bitch	And I slip on my suit
Jp to my old tricks	You see the vixen in me
But it won't last forever	Becomes an angel for you
Next day I'm your (2) girl	Some days I'm a super bitch (a (7) bitch)
Out to save the world	Up to my old tricks
And it keeps getting better	But it won't last forever (won't last forever, no)
Kiss, kiss	Next day I'm your super girl (super girl)
Gonna tell you right now	Out to save the world
make it sweet on the lips	And it keeps getting better (keeps getting better)
'll simply knock you out	Some days I'm a super bitch (a (8) bitch)
Shut up!	Up to my old tricks
don't care what you say	But it won't last forever (last forever, no)
Cause (3) were both in the wind	Next day I'm your super girl (super girl)
You (4) like it my way	Out to save the world
Yeah baby, theres a villain in me	And it keeps getting better (keeps (9)
So sexy, (5) and sweet	better)
And you'll be loving it	Hold on
