

## Everytime by Britney Spears

Notice me	And everytime I see you in my dreams
Take my hand	I see your face
Why are we	You're haunting me
Strangers when	I guess I need you, baby
Our love's strong	I may have made it rain
Why (1)_____ on without me?	Please forgive me
Everytime I try to fly	My weakness caused you pain
I fall (2)_____ my wings	And (7)_____ song's my sorry
I feel so small	(Ohhhh)
I guess I (3)_____ you, baby	At night I pray
And everytime I see you in my dreams	That soon your face
I see your face	Will (8)_____ away
It's haunting me	And everytime I try to fly
I guess I need you, baby	I (9)_____ without my wings
I make believe	I feel so small
That you are here	I guess I need you, baby
It's the only way	And everytime I see you in my dreams
I see clear	I see your face
What have I done?	You're haunting me
You seem to move on easy	I guess I (10)_____ you, baby
Everytime I try to fly	...
I fall without my wings	
I (4)_____ so small	
I (5)_____ I (6)_____ you, baby
