Fill in the gaps

The Voice Within by Christina Aguilera

Young girl, don't cry	No one reaches out a hand for you to hold
I'll be right here when your world starts to fall	When you're lost outside, look inside to your soul
(Uh)	When there's no one else, look inside yourself
Young girl, it's alright	Like your oldest friend, just trust the voice within
Your tears will dry, you'll soon be free to fly	Then you'll find the strength, that (7) guide
(Uh)	(8) way
When you're safe inside your room, you tend to dream	If you'll learn to begin to trust the voice within
Of a (1) where nothing's harder than it seems	Life is a journey
No one ever wants or bothers to explain	It can take you anywhere you choose to go
Of the heartache life can bring and what it means	As long as you're learning
When there's no one else, look inside yourself	You'll find all, you'll ever need to know
Like your oldest friend, just trust the (2) within	Break it
Then you'll find the strength, that will guide your way	You'll make it
You'll (3) to begin to trust the voice within	Just don't forsake it because
(Oh)	
Young girl, don't hide	No one can stop you, you know that I'm talking to you
You'll never change if you just run away	When there's no one else, look inside yourself
(Uh)	And like your oldest friend, just trust the voice within
Young girl, just (4) tight	Then you'll find the strength, (9) will guide your
Soon you're gonna see your brighter day	way
(Oh)	You'll learn to begin to trust the (10) within
Now, in a world (5) innocence is quickly claimed	Young girl, don't cry
It's so hard to stand (6) ground, when you're so	I'll be right here when your world starts to fall
