Ain't No Other Man by Christina Aguilera

(Hey)	Ain't no other man that can stand up (16) to you
(Do (1) thing honey)	Ain't no (17) man on the planet, (18)
I could feel it from the start	what you do (do)
Couldn't (2) to be apart	You're the kinda guy a girl finds, in a blue moon
Something about you caught my eye	You got soul (soul), you got class (class)
Something moved me deep inside	You got style with your badass (yeh yeh yeah)
I don't (3) what you did boy, but you had it	Ain't no other man it's true
And I've (4) hooked (5) since	Ain't no (19) man but you
I told my mother, my brother	(Break it down now)
My sister and my friends	Ain't no other, ain't, ain't, no other, other
Told the (6) (others), my lovers (lovers)	Ain't no other, ain't, ain't, no other lover
Both (7) and present tense (oh right)	Ain't no other, I, I, I need no other
That every time I see you	Ain't no (20) man but you
Everything starts making sense	You are there when I'm a mess
(Do your thing honey)	Talk me down from every ledge
Ain't no other man that can stand up next to you	Give me strength, boy you're the best
Ain't no other man on the planet, does what you do	You're the only one who's ever passed every test
You're the kinda guy a (8) finds, in a blue moon	Ain't no other man that can stand up next to you
You got soul, you got class	(Next to you)
You got (9) with (10) badass (oh	Ain't no other man on the planet, does what you do
yeah)	You're the kinda guy a (21) finds, in a blue moon
Ain't no (11) man it's true (all right)	You got soul, you got class
Ain't no other man but you	You got (22) with your badass
Never thought I'd be alright (no no no)	Ain't no (23) man it's true
Till you came and changed my life (yeh yeh yeah)	Ain't no other man but you
What was cloudy now is clear (yeh yeh)	And now I'm (24) you
You're the light (12) I needed	So ain't no other man but you (hey)
You got (13) I want boy, and I want it	Ain't no (25) man that can stand up next to you
So keep on giving it up	Ain't no other man on the planet, does what you do
So tell your mother, your brother	You're the kinda guy a girl finds, in a blue moon
Your sister and your friends	You got soul, you got class
(Your sister and your friends)	You got style (26) your badass (don't you know)
Tell the others, your (14) (lovers)	Ain't no other man it's true
Better not be present tense	Ain't no other man but you
'Cause I want (15) to know	
That you are mine and no one else's	
(Oh oh oh Ah)
