

Fill in the gaps

Well I know the feeling	To a lullaby
Of finding yourself stuck out on the ledge	And turn this up on the radio
And (1) ain't no healing	If you can hear me now
From cutting yourself with the jagged edge	I'm reaching out
I'm telling you that	To let you (13) that you're not alone
It's never that bad	And you can tell
Take it (2) someone who's been where you're at	I'm (14) as hell
Lay down on the floor	'Cause I can't get you on the telephone
And you're not sure	So just close (15) eyes
You can (3) (4) anymore	Well (16) here comes a lullaby
So (5) give it one more try	Your very own lullaby
To a lullaby	Well everybody's hit the bottom
And turn this up on the radio	And everybody's (17) forgotten
If you can hear me now	When everybody's (18) of being alone
I'm reaching out	Yeah everybody's (19) abandoned
To let you (6) that you're not alone	And (20) a little empty handed
And you can tell	So if you're out there barely hanging on
I'm scared as hell	Just give it one more try
'Cause I can't get you on the telephone	To a lullaby
So (7) (8) your eyes	And (21) (22) up on the radio
Well honey here comes a lullaby	If you can hear me now
Your very own lullaby	I'm (23) out
Please let me take you	To let you know that you're not alone
Out of the (9) and into the light	And you can tell
'Cause I (10) faith in you	I'm scared as hell
That you're gonna make it through another night	'Cause I can't get you on the telephone
Stop (11) about	So (24) (25) your eyes
The easy way out	Well honey here (26) a lullaby
There's no need to go and blow the candle out	Your very own lullaby
Because you're not done	Well honey here comes a lullaby
You're far too young	Your (27) own lullaby
And the (12) is yet to come	
So just give it one more try
