

Fill in the gaps

| Well I know the feeling | | To a fullaby |
|--|----------------------------|--|
| Of finding (1) | stuck out on the ledge | And turn this up on the radio |
| And there ain't no healing | | If you can (7) me now |
| From cutting yourself with the jagged edge | | I'm reaching out |
| I'm telling you that | | To let you know that you're not alone |
| It's never that bad | | And you can tell |
| Take it from (2) | who's been where you're at | I'm scared as hell |
| Lay (3) on the floor | | 'Cause I can't get you on the telephone |
| And you're not sure | | So just close your eyes |
| You can take this anymore | | Well honey here comes a lullaby |
| So just (4) it one more try | | Your (8) own lullaby |
| To a lullaby | | Well everybody's hit the bottom |
| And turn (5) up on the radio | | And everybody's been forgotten |
| If you can hear me now | | When everybody's (9) of being alone |
| I'm reaching out | | Yeah everybody's been abandoned |
| To let you know that you're not alone | | And left a little empty handed |
| And you can tell | | So if you're out there barely hanging on |
| I'm scared as hell | | Just give it one more try |
| 'Cause I can't get you on the telephone | | To a lullaby |
| So just close your eyes | | And turn this up on the radio |
| Well honey here comes a lullaby | | If you can hear me now |
| Your very own lullaby | | I'm reaching out |
| Please let me take you | | To let you know that you're not alone |
| Out of the darkness and into the light | | And you can tell |
| 'Cause I have faith in you | | I'm scared as hell |
| That you're gonna (6) it through another night | | 'Cause I can't get you on the telephone |
| Stop thinking about | | So just close your eyes |
| The easy way out | | Well honey (10) comes a lullaby |
| There's no need to go and blow the candle out | | Your very own lullaby |
| Because you're not done | | Well honey here comes a lullaby |
| You're far too young | | Your very own lullaby |
| And the best is yet to come | | |
| So just give it one more try | | |

- 1. yourself
