Fill in the gaps

...
Everybody's got their problems
Everybody says the same things to you
It's just a matter how you solve them
And knowing how to change the things
You've been through
I feel I've (1)_____ to realize
How fast life can be compromised
Step back to see what's going on
I can't believe this (2)_____ to you
This happened to you
It's just a problem that I'm (3)_____ with am I
Not the only one who hates to stand by
Complications that are first in this line
With all these pictures running through my mind
Knowing endless consequences
I feel so useless in this
Get back, step back, and as for me
I can't believe
Part of me, won't agree
Cause I don't know if it's for sure
Suddenly, suddenly
I don't (4)_____ so insecure
Part of me, won't agree
Cause I don't know if it's for sure
Suddenly, suddenly

I don't feel so insecure
Anymore
Everybody's got their problems
Everybody says the same things to you
It's just a (5)_____ how you solve them
But what else are we supposed to do
Part of me, won't agree
Cause I don't know if it's for sure
Suddenly, suddenly
I don't feel so insecure
Part of me, won't agree
Cause I don't (6)_____ if it's for sure
Suddenly, suddenly
I don't feel so insecure
Anymore
Why do things that matter the most
Never end up being (7)_____ we chose
Now that I find no way so bad
I don't (8)_____ I (9)_____ what I had
Why do things that matter the most
Never end up being what we chose
Now that I find no way so bad
