Where Have You Been by Rihanna

I've been everywhere, man	Where have you been?
Looking for someone	'Cause I never see you out
Someone who can please me	Are you hiding from me, yeah?
Love me all night long	Somewhere in the crowd
I've been everywhere, man	
Looking for you, babe	Where have you been?
Looking for you, babe	All my life, all my life
Searching for you, babe	Where have you been all my life?
Where have you been?	Where (6) you (7) all my life?
'Cause I never see you out	Where have you (8) all my life?
Are you hiding from me, yeah?	Where have you been all my life?
Somewhere in the crowd	Where have you been all my life?
	You can have me all you want
Where have you been?	Any way, any day
All my life, all my life	To show me where you are tonight
Where have you been all my life?	
Where (1) you (2) all my life?	I've been everywhere, man
Where have you (3) all my life?	Looking for someone
Where have you (4) all my life?	Someone who can (9) me
I've been everywhere, man	Love me all night long
Looking for someone	I've been everywhere, man
Someone who can (5) me	Looking for you, babe
Love me all night long	Looking for you, babe
I've been everywhere, man	Searching for you, babe
Looking for you, babe	
Looking for you, babe	
Searching for you, babe
