

## Fill in the gaps

### Somebody That I Used To Know by Gotye & Kimbra

Now and then I think of when we were together  
Like when you said you felt so (1)\_\_\_\_\_ you could die  
Told myself that you were right for me  
But felt so lonely in your company  
But that was love and it's an ache I still remember  
You can get addicted to a certain kind of sadness  
Like resignation to the end, always the end  
So when we found that we could not make sense  
Well, you said that we would still be friends  
But I'll (2)\_\_\_\_\_ that I was (3)\_\_\_\_\_ that it was  
over  
But you didn't have to cut me off  
Make out like it never happened  
And that we were nothing  
And I don't even need your love  
But you treat me like a stranger  
And that feels so rough  
You didn't have to stoop so low  
Have your friends collect your records  
And then change your number  
I guess that I don't need that though  
Now you're just somebody that I used to know  
Now you're just somebody that I used to know  
Now you're just somebody that I used to know  
Now and then I think of all the times you screwed me over  
But had me believing it was always something that I'd done

But I don't wanna live (4)\_\_\_\_\_ way  
Reading into every word you say  
You said that you could let it go  
And I wouldn't catch you hung up  
On somebody that you used to know  
But you didn't have to cut me off  
Make out like it never happened  
And that we were nothing  
And I don't even need your love  
But you treat me like a stranger  
And that feels so rough  
You didn't have to stoop so low  
Have your friends collect your records  
And then change your number  
I guess that I don't (5)\_\_\_\_\_ that though  
Now you're just (6)\_\_\_\_\_ that I used to know  
Somebody, I used to know  
Somebody, now you're (7)\_\_\_\_\_ somebody that I used to  
know  
Somebody, I used to know  
Somebody, now you're just somebody that I used to know  
I used to know  
That I used to know  
I used to know, somebody

Answer

1. happy
2. admit
3. glad
4. that
5. need
6. somebody
7. just
