There might be something real between us two

Fill in the gaps

Stuck In The Moment by Justin Bieber

With you, with you	Who knew?
I wish we had another time	And we don't wanna fall
I wish we had another place	But we're tripping in our hearts
Now Romeo and Juliet	And it's reckless and clumsy
Bet they could (1) felt the way we felt	And I know you can't love me here
Bonnie and Clyde never had the highlight	I wish we had another time
We do, we do	I wish we had another place
You and I, both (2) it can't work	But everything we have is stuck in the moment
It's all fun and games 'til someone gets hurt	And there's nothing my heart can do
And I don't, I won't let that be you	To fight with time and space
Now you don't wanna let go	'Cause I'm still stuck in the moment with you
And I don't wanna let you know	See like just because this cold, cold world saying we can't be
There might be something real between us two	Baby, we both have the right to decide we
Who knew?	And I ain't with it
Now we don't wanna fall	And I don't wanna be so old and gray
But we're tripping in our hearts	Reminiscing 'bout these better days
And it's reckless and clumsy	But convention's telling us to let go
'Cause I know you can't love me here	So we'll never know
I (3) we had another time	I wish we had another time
I wish we had (4) place	I (7) we had another place
But everything we (5) is stuck in the moment	'Cause (8) we did
And there's nothing my heart can do	And everything we (9) is stuck in the moment
To fight with time and space	Yeah
'Cause I'm still stuck in the moment with you	I wish we had another time
See (6) Adam and Eve, tragedy was a destiny	I wish we had another place, oh, no, no
Like Sonny and Cher, I don't care, I got you, baby	But everything we have is stuck in the moment
See we both fighting every inch of our fiber	And there's nothing my heart can do
'Cause in a way it's gonna end right	To fight with (10) and space
But we are both too foolish to stop	I'm still stuck in the moment with you
Now you don't wanna let go	
And I don't wanna let you know
