### Fill in the gaps

#### Stuck In The Moment by Justin Bieber

With you, (1) you	Who knew?
I wish we had another time	And we don't (9) fall
I wish we had another place	But we're (10) in our hearts
Now Romeo and Juliet	And it's reckless and clumsy
Bet they could never (2) the way we felt	And I know you can't (11) me here
Bonnie and Clyde never had the highlight	I wish we had another time
We do, we do	I (12) we had another place
You and I, both know it can't work	But everything we (13) is stuck in the moment
It's all fun and games 'til someone gets hurt	And there's (14) my heart can do
And I don't, I won't let that be you	To fight with (15) and space
Now you don't wanna let go	'Cause I'm (16) stuck in the moment with you
And I don't wanna let you know	See like just because this cold, (17)
There might be something real between us two	(18) saying we can't be
Who knew?	Baby, we both have the right to decide we
Now we don't wanna fall	And I ain't with it
But we're tripping in our hearts	And I don't wanna be so old and gray
And it's reckless and clumsy	Reminiscing 'bout these (19) days
'Cause I know you can't love me here	But convention's telling us to let go
I wish we had another time	So we'll (20) know
I wish we had another place	I wish we had another time
But everything we have is stuck in the moment	I (21) we had another place
And there's nothing my heart can do	'Cause everything we did
To fight with time and space	And everything we have is (22) in the momen
'Cause I'm still stuck in the moment (3) you	Yeah
See like Adam and Eve, tragedy was a destiny	I (23) we had another time
Like (4) and Cher, I don't care, I got you, baby	I (24) we had another place, oh, no, no
See we both (5) every (6) of	But everything we have is stuck in the moment
our fiber	And there's nothing my heart can do
'Cause in a way it's gonna end right	To fight with time and space
But we are both too foolish to stop	I'm still stuck in the (25) (26) yo
Now you don't wanna let go	
And I don't (7) let you know	
There might be (8) real between us	
two
