

And a wandering eye

Fill in the gaps

Don't You Remember (Live) by Adele

When will I see you again?	And a heaviness in my head
You (1) with no goodbye	But don't you remember?
Not a single word was said	Don't you remember?
No (2) kiss to seal any seams	The reason you (5) me before
I had no idea of the state we were in	Baby, please remember me (6) more
I know I have a fickle heart and bitterness	Gave you the space so you could breathe
And a wandering eye	And I (7) my distance so you would be free
And a heaviness in my head	And hope that you (8) the missing piece
But don't you remember?	To bring you back to me
Don't you remember?	Why don't you remember?
The reason you loved me before	Don't you remember?
Baby, please remember me once more	The reason you loved me before
When was the last time you thought of me?	Baby, please remember
Or (3) you completely	You (9) to love me
Erased me from your memory?	When will I see you again?
'Cos I often think (4) where I went wrong	
The more I do, the less I know	
But I know I have a fickle heart and bitterness
