Venus and (1) now, can't be apart no
Baby baby, put me in your pocket
We're on a mission, get in position
Put the plug in the socket
Give me all your power
When you (2) it on I can go for hours
Hit the switch, push the button, baby
Then you'll see
We can have it all, baby, you and me
Kiss the (3) tonight
You and me, oh, we will
Write our name in lights
They will see we're in love tonight
