The Angry Birds Rap by Bshap

Fill in the gaps

And we're launchin'	
And (1) crashin'	
Let's hit the (2) 'til they all go pop	
We're the best birds	
But we're angry	
If you take our eggs	
We're never gonna stop	
Every theme and level	
We will get three stars and set you straight	
Maybe find a golden egg	
And win until the next update	
Screw the pigs, screw the pigs	
They're wearin' helmets, hardhats, usin' tricks	
Fake mustaches and green skin	
It don't matter cos I know I'm gonna win	
Birds on my side, they're pretty fly	
Launch 'em in the air, the pigs cant hide	
It's totally fair, you took our eggs like a spy	
And (3) I got my (4)	as a guide
Touch the screen, the birds are angry, mean	
They don't stop on Christmas or Halloween	
They're always gonna switch to a different theme	
They're definitely makin' up the greatest team	
Got that slingshot and (5) it back	
Aim for the right spot then attack	
You took our eggs, that was wack	
And if you do it again, were comin' back	
But sometimes you pigs just won't go	

Always come again like 4 in a row

We (6) get 'em to stop cos they will overflow

Say goodbye, no hello
Stop (7) (8) and stop the snatchin
We don't have eggs so we don't have hatchin'
Get ready for the (9) who are so diverse
Let's talk about them in the next verse
And we're launchin'
And were crashin'
Let's hit the pigs 'til they all go pop
We're the (10) birds
But we're angry
If you (11) our eggs
We're never gonna stop
Every theme and level
We will get three stars and set you straight
Maybe find a golden
And win until the next update
Black and yellow, red, white and blue
Even green is a color thrown in (12) too
A (13) behind?
Well then let's go (14) all words
And the birds that are gonna help you
The red bird, the first one you meet
The first bird to tweet, and the first defeat
So take your seat, watch the bird compete
Even though it's petite
It is elite
It's a basic bird, who's not goin' unheard
Doesn't have a power, ain't that absurd?
But (15) the red one can be lots of fun

Cos then we get a home run and the pigs are done

Cos then we get a nome run and the pigs are done					
Look up in the sky and you will see blue					
'Cos after the red this bird had a debut					
Is my vision blurred? What's that I see?					
Looks like that (16) just (17) three					
Yeah that's right, 'cos blue came to fight					
Bringin' all the class and breakin' all the glass					
Never runnin' out of gas, don't need a pass					
Getting' every pig, even the last					
You can call them as bird 1 bird 2					
So don't forget it say, "I heard you"					
The best and the baddest birds (18) now arrive					
There is no way those pigs will survive					
And we're launchin'					
And were crashin'					
Let's hit the pigs 'til they all go pop					
We're the best birds					
But we're angry					
If you take our eggs we're never gonna stop					
Every theme and level					
We will get three stars and set you straight					
Maybe find a golden egg					
And win until the next update					
So the next (19) makes pigs get mangled					
After gettin' hit by the yellow triangle					
Lightning fast and the speed will increase					
On 1, 2, 3, release					
So its up in the air and the time is just right					
You give a little tap for the speed of light					

This chick's (20)_____ not polite

inglés						
Breaks through wood, it don't bite						
If you're lookin' for blast, take this road						
There's a bird that's black, likes to explode						
It cracked the code to make the pigs erode						
Help us get back the (21) back that we're owed						
From black to white						
This bird is droppin' one last egg right top						
And I really don't get why they're droppin' eggs though						
If you want them back, why let them go?						
Now the (22) bird always wants to hang						
Cos it was one of the last ones that was in the gang						
Oh no, too far this bird has sprang						
But it's comin' right back like a boomerang						
The last bird's red and you stretch it out						
Has an angry face that makes you shout						
Breakin' everything that is in its route						
They smell fear with a green pig snout						
And we're launchin'						
And were crashin'						
Let's hit the pigs 'til they all go pop						
We're the (23) birds						
But we're angry						
If you take our eggs						
We're never (24) stop						
Every theme and level						
We (25) get three stars and set you straight
