

Fill in the gaps

		- Ju	
Can (1)	hear me?	And	
Am I talking to myself?			
My mind is running empty			
In the search for someone else			
Who doesn't look right through me		Let'	
It's all just static in my head		Car	
Can anybody tell me why			
I'm lonely like a satellite	?	Call	
'Cause tonight I'm feeling like an astronaut			
Sending SOS from this tiny box		Are	
And I lost all signal when I lifted up		'Ca	
Now I'm stuck out here and the world forgot		And	
Can I please come down		Ser	
'Cause I'm tired of drifting round		And	
And round		Nov	
Can I please come dow	n?	'Ca	
I'm deaf from all the silence		Ser	
Is it something (2)	I've done?	To t	
I know (3) th	ere are millions	Are	
I can't be the only one w	vho's so disconnected	'Ca	
It's so different in my he	ad	Car	
Can (4)	tell me why	'Ca	
I'm lonely like a satellite	?	Car	
'Cause (5)	I'm feeling like an astronaut	Car	
Sending SOS from this tiny box			
And I lost all signal when I lifted up			
Now I'm (6)	out here and the world forgot		
Can I please come dow	n?		

'Cause I'm tired of (7)	round		
And round			
Can I please come down?			
Now I lie awake and scream in a zero gravity			
And it's starting to weigh down on me			
Let's abort this mission now			
Can I please come down?			
So (8) I	'm calling all astronauts		
Calling lonely people (9)_	the world forgot		
If you hear my voice come pick me up			
Are you out there?			
'Cause you're all I've got!			
And tonight I'm feeling like an astronaut			
Sending SOS from this tiny box			
And I lost all signal when I lifted up			
Now I'm stuck out here and the world forgot			
'Cause tonight I'm feeling like an astronaut			
Sending SOS from (10)_	tiny box		
To the lonely people that the world forgot			
Are you out there?			
'Cause you're all I've got!			
Can I please come down?			
'Cause I'm tired of drifting round and round			
Can I please come down?			
Can I please come down?			
Can I please come down?			

- 1. anybody
- 2. that
- 3. that
- 4. anybody
- 5. tonight
- 6. stuck
- 7. drifting
- 8. tonight
- 9. that
- 10. this
