

## Fill in the gaps

	'Cause I'm (16) of drifting round
Can (1) hear me?	And round
Am I talking to myself?	Can I (17) come down?
My (2) is running empty	Now I lie awake and scream in a zero gravity
n the search for someone else	And it's starting to weigh down on me
Who doesn't (3) right through me	Let's abort (18) mission now
t's all (4) (5) in my head	Can I please come down?
Can anybody (6) me why	So tonight I'm calling all astronauts
'm lonely like a satellite?	Calling lonely people that the world forgot
Cause tonight I'm (7) like an astronaut	If you hear my voice come (19) me up
Sending SOS from (8) (9) box	Are you out there?
And I lost all signal when I (10) up	'Cause you're all I've got!
Now I'm stuck out here and the world forgot	And tonight I'm (20) like an astronaut
Can I please come down	Sending SOS from this tiny box
Cause I'm tired of drifting round	And I lost all signal when I lifted up
And round	Now I'm stuck out here and the world forgot
Can I please come down?	'Cause tonight I'm feeling like an astronaut
'm deaf from all the silence	Sending SOS (21) this tiny box
s it something (11) I've done?	To the (22) people that the (23)
know that (12) are millions	forgot
can't be the only one who's so disconnected	Are you out there?
t's so different in my head	'Cause you're all I've got!
Can anybody tell me why	Can I please come down?
'm lonely like a satellite?	'Cause I'm tired of (24) (25)
Cause tonight I'm feeling (13) an astronaut	and round
Sending SOS from (14) tiny box	Can I please come down?
And I lost all signal when I lifted up	Can I (26) (27) down?
Now I'm stuck out (15) and the world forgot	Can I please come down?
Can I please come down?
