

Fill in the gaps

Do you know what's (1) (2)	You and I
for?	(Did you)
When it's not (3) dying for?	Did you try to live on (20) own?
Does it (4) your breath away?	(When you)
And you (5) (6) suffocating?	When you burned down the house and home?
Does the pain weigh out the pride?	(Did you)
And you look for a place to hide?	Did you stand too close to the fire?
Did someone (7) your heart inside?	Like a liar looking for forgiveness
You're in ruins	From a stone
One, twenty-one guns	When it's (21) to (22) and let die
Lay (8) your arms	And you can't get another try
Give up the fight	Something inside this (23) has died
One, twenty-one guns	You're in ruins
Throw up (9) arms into the sky	One, twenty-one guns
You and I	Lay down your arms
When you're at the end of the road	Give up the fight
And you (10) all (11) of control	One, twenty-one guns
And your (12) have taken their toll	Throw up your arms into the sky
When your mind breaks the (13) of your soul	One, twenty-one guns
Your (14) walks on (15) glass	Lay down your arms
And the hangover doesn't pass	Give up the fight
Nothing's (16) built to last	One, twenty-one guns
You're in ruins	Throw up (24) (25) (26) the
One, twenty-one guns	sky
Lay (17) your arms	You and I
Give up the fight	
One, twenty-one guns	
Throw up your (18) the sky
